APPLICATION FOR ADMISSION

Application Timeline and Process: Our school plans to open September 2006, for the 2006-2007 school year. We are accepting applications now. Interviews to explain the school fully and confirm interest are anticipated to begin January 2006 or earlier. If more students apply than the Equestrian Academy can accept, then a lottery will be conducted for spaces. Students not selected by lottery but wishing to attend will be placed on a wait list. For any openings that come available, students on the wait list will have first choice.
